

Project: „How to travel...” – Group Feedback

Get together in your group. While watching your feedback-group's video, fill in the table below. Focus on the following questions:

- Content:
 - is it complete? (→ topics: geography, culture & religion, travelling the country as a tourist)
 - is the structure logical?
- Design:
 - is it according to the guidelines? (→ length 5-6' in team of two / 8-10' in group of three, equal amounts of speaking time, bibliography, title page with names, etc.)
 - is it visually appealing (= nice to watch)? (e.g. only few pictures, overloaded with pictures, pictures don't make sense, etc.)
